## A BILL FOR

An Act to amend section three hundred nine point thirty-five  
(309.35), Code 1946, relating to surveys and plans for  
secondary road construction by the board of supervisors.

*Be It Enacted by the General Assembly of the State of Iowa:*

- 1 Section 1. Section three hundred nine point thirty-five
- 2 (309.35), Code 1946, is amended by striking the word "one" in
- 3 line four (4) and inserting in lieu thereof the word "three".

### EXPLANATION OF H. F. 291

Due to the increased cost of road building it is practically impossible to build a mile of road at the present time for less than one thousand dollars. The one thousand dollar limitation was placed in the statute many years ago and works a handicap on the board of supervisors at the present time.
